Fire Department Safety Officers Association along with

Present

2027 Fire Fleet Manager of the Year.

The **Fire Fleet Manager of the Year** award recognizes individuals who exemplify exceptional leadership and commitment to safety within the fire service. This award celebrates those who have demonstrated outstanding management skills, innovation in fleet operations, and a strong dedication to ensuring the safety and efficiency of fire department vehicles and equipment. Recipients of this award are leaders who inspire their teams, implement best practices, and contribute significantly to the overall effectiveness and readiness of their fire service fleet.

Those eligible for the award are Fire Fleet Managers, Supervisors, Directors, or City Fleet Managers that encompass Fire Department apparatus and vehicles.

Recipient of the FDSOA 2nd annual Fleet Manager Prestigious National award will be presented **Wednesday January 27th, 2027,** during the opening session at Doubletree by Hilton in Scottsdale, Arizona.

Nominations will be accepted up to December 13th, 2026.

Anyone can nominate a Fleet Manager that meets the proposed criteria:

- Be a member in good standing of state or local EVT association or NAFA Fleet Management Association or equivalent.
- Have at least 3-5 years full time employment as a fleet manager.
- Nurtures professionalism, diversity, and customer service.
- Has achieved remarkable contributions for the betterment of the staff, shop equipment for safe work habits, along with a measurable improvement of significant and enduring benefit to your Fire Fleet and end users.
